Punch Card Rules

Drop off card at ticket booth prior to filling buckets. Once buckets are filled, stop by booth to punch out and retrieve card. Cannot be used to fill vehicles. Applies to five-gallon buckets only.

About Our Products

LRC recycles local yard waste such as grass clippings, brush and plant cuttings into lawn and garden composts, topsoil and mulches. Products are 100% natural with no additives or chemical dyes. All mulches are made from indigenous woods that are by-products of local tree maintenance--no exotic, Canadian, Pacific Northwest or South American Rainforest wood species.
